James W. Hyatt Esq.,

Treas. of U. S. -

Dear Sir -

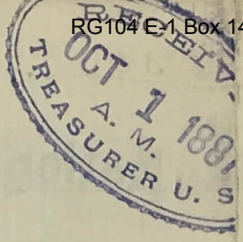

On the 31st of August - one month ago - we wrote to Sup^r. of U. S. Mint at Phil^a, to send us \$20. = each of Nickels and pennies - and sent our Draft for same. And although we reminded him since of said order, we have not yet received the Coin - Is it possible that there is cause for such delay: or is it neglect?

Yours respectfully
